# BOOK EARLY IN '95 AND YOU'LL SAVE MUCH MORE THAN £2!

Last year's International Motorcycle Show attracted the biggest audience in the modern history of the event, with over 140,000 visitors attending. Many took advantage of our Slipstream early booking scheme and entered the halls with maximum speed and minimum fuss. As a special bonus they also got a discounted price.

## SAVE £2 ON EVERY ADULT TICKET

This year we want to encourage even more of you to book in advance so we can reduce the queues still further. That's why for 1995 we are offering a pre-booking discount of £2 per adult and £1 off for children/OAP's.

## MORE GOOD NEWS FOR 1995

For those of you who want a truly exclusive look round, we've introduced a SPECIAL PREVIEW DAY on Friday 27th October. Tickets cost £20 for the day (no concessions). Great news for families this year is that children 10 and under get in free! \*

## NO QUEUES OUTSIDE - MORE SPACE INSIDE

Getting into the Show has never been easier and now there's more space inside too! Because in the interests of personal comfort we've extended the length of the Show and now take in an extra weekend. Not only does it give you more choice as to when you come but it will ease the crowds and give you more room to move freely.
